Report of School Board.

To the citizens of Dorchester:

In presenting our annual report it is gratifying to say that we have had the best and most successful year on record for the best of schools and the longest term; but, in some instances, we have noticed that pupils take too little regard to being to school on time. It seems to be a habit for them to be always tardy. It disturbs the school having children always behind hand, and we hope in the future that parents will try to send their children more promptly. They need all the schooling they can get. By the law passed by the last Legislature the town is compelled to have twenty weeks of school at least. We have had in some districts twenty-seven weeks of school. Hoping to prolong the school term, year by year, we remain your humble servants,

HERMAN L. POQUETT,	} School Board	
EZRA J. GOSS,		of
ALEXANDER SANGER.		Dorchester.

DIVISION No. 2.

Spring and Fall terms were taught by Miss Mary E. Woodbine, of Medfield, Mass., and we cannot speak too highly of Miss Woodbine's method of teaching. She has the faculty of keeping the scholars constantly at work. The Spring term consisted of eleven weeks, and the Fall term of seventeen weeks. The people in this division took great pride in boarding the teacher. In some places she boarded five weeks, and in others two weeks. We hope the School Board will be fortunate enough to secure her services the coming year. This was Miss Woodbine's third term in this division.

DIVISION No. 3.

This was formerly a union district and the school is now conducted by the town of Groton. The pupils of this town in this division are provided for by paying a proportional part of the expense of the school.

DIVISION No. 4.

Spring term of eleven weeks was taught by Miss Florence B. Morse, of Enfield, N. H., and we must say, in visiting this school, we were surprised to see how the scholars in this division had made such headway under Miss Morse's direction. The order was perfect in every respect, although this was her first term. The future has something in store for such a noble teacher as Miss Morse.

Fall term of sixteen weeks was taught by Miss Sadie Stevens, of Canaan, N. H. Miss Stevens conducted a very successful school in this Division, giving general satisfaction. The people in this division also boarded the teacher part of the time. That is how this term was prolonged.

CHEEVER DIVISION.

Spring term of ten weeks was taught by Miss Jennie N. Poquett, of North Hero, Vt. Although this was Miss Poquett's first experience as a teacher, the order was perfect. She was an earnest worker, one who devoted herself faithfully to the interests of the pupils entrusted to her care. In fact, she proved to be a model teacher. The Board was pleased to note a marked improvement at the close of the term.

Fall term of twelve weeks was taught by taught by Miss Poquett with the same marked degree of success, being one of our most skilled teachers. She gave entire satisfaction and has proved herself to be a gem in the art of teaching.

DIVISION No. 8.

There is no school house in this division. Mr. Park, Jr., hires his own teacher (by permission of the School Board,) and conducts the school in his house. There were other

children in this Division at the Spring term, and we had to get them carried to Division No. 10, although Mr. Park said he would pay for carrying them to this Division out of his proportional share of the school money. It has been the custom of the town to allow Mr. Park \$65 per year for the support of his school.

DIVISION No. 10.

Spring term of ten weeks was taught by Mrs. Frances M. Lary, of Canaan, N. H. Mrs. Lary is an old and experienced teacher, and taught a most successful school in this division, giving general satisfaction.

Fall term of ten weeks was taught by Miss Edith Jameson, of Canaan, N. H. Miss Jameson is a gem of a teacher; she gave the best of satisfaction, and we were sorry we could not prolong the term in this division, but the school-house was so cold it was impossible.

NORTH DORCHESTER DIVISION, No. 13.

Spring term of ten weeks was taught by Miss Mabel McLaughlin, of Wentworth, N. H. This was Miss McLaughlin's first experience as a teacher. Although she labored earnestly with her pupils, her work did not warrant our engaging her for the Fall term.

Fall term of sixteen weeks was taught by Clarence Mathewson, of Connecticut. The order in Mr. Mathewson's school room was perfect. He was an energetic earnest, ardent worker; one who devoted himself faithfully to the interests of the pupils entrusted to his care, thereby giving general satisfaction.
